

# COSAS

Co-op Student Association of Sauder

## CO-OP RECOGNITION PROGRAM 2020-2021

### Key points to know

- a. Anyone who has benefited from people within the Sauder Co-op community can submit the recognition. You can recognize any mentor or mentee within Co-op Student Mentorship Program (CSMP) or Sauder Co-op students and alumni outside of CSMP.
- b. You should provide valid reasons (shown in your thank-you note in the **recognition form**) to appreciate others, simple reciprocity will not work.
- c. Feel free to share screenshots of e-meetings, virtual coffee chats, or online team bonding activities if you have any. (This is not mandatory.)

### Community in progress

Students in CSMP: take the time to meet up with your mentor/mentees.

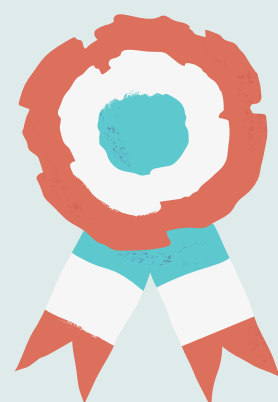

Co-op fellows outside of CSMP: feel free to reach out to others within our Co-op community to expand your network.

### For givers:

#### I want to recognize.....

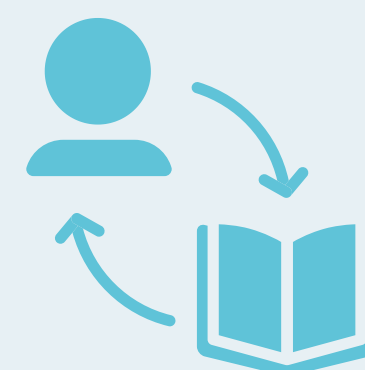

You might want to recognize someone who has helped you or made a great difference to you.

### For recipients:

#### I receive the recognition...

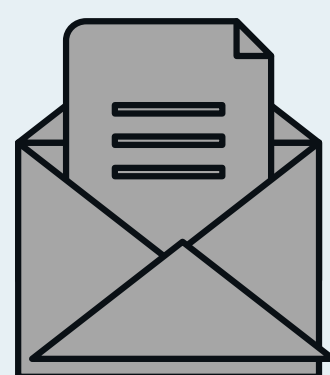

COSAS will contact you once you are recognized. We will communicate the warm thank-you note from the giver to you.

### Submit your recognition form

Go to **URL**. Feel free to submit the recognition form to recognize someone you appreciate or have benefited from.

Reward extra points at your discretion. Detailed description can be found in the recognition form.

### Social media praise

COSAS will ask for **your permission** to feature impressive thank-you notes on our social media and website bi-weekly.

### Social media praise

COSAS will feature impressive thank-you notes on our social media and website bi-weekly **with your permission**. It is okay if you'd like to keep them anonymous.

### Term-end highlight

There are potentially some rewards at the end of the term if you've earned extra points.

COSAS will host a wrap-up event at the end of this term to highlight our most influential members in the community
